

## Axle Tech Part

Axle Tech Parts - AxleTech International is a leading provider in the globe of specialty vehicle drive-train systems and components along with off highway vehicles. The company prides itself on being its clients' chosen supplier. AxleTech strives to exceed and meet their customers' expectations for quality, service, technology and delivery. They believe in working in an atmosphere that encourages the utmost integrity with empowered collaboration, together with a unyielding pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of environmental stewardship and safety in how they do business. The company has put various programs in place in order to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with whatever comments or questions, because they are glad to share and promote this policy with a greater knowledge of their efforts. They are really devoted to improving and preserving the natural world. AxleTech has an EHS program that not only protects the natural environment but which even actively protects their neighbors and staff as well.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in designing and manufacturing planetary axles used for both commercial and military applications. These applications range from construction equipment to airport ground support. AxleTech specifically designs axles to meet specific application demands. They have more than 1000 different axle specs within their existing offering. With more than one hundred years of history and skill, AxleTech proudly supplies the most complete solution for any of your axle requirements. The company is well known in several commercial and military applications. They offer complete axle assemblies used for aftermarket replacement needs, together with servicing axle needs for OE production. Their high mobility ISAS have extra details which could be found in the "ISAS" product selection.
