

## Nissan Forklift Part

Nissan Forklift Parts - Nissan takes immense pleasure in attaining total customer satisfaction, when their consumer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and meticulous quality values to their clients. Incorporating a rich heritage combined with resilient production principals, Nissan lift trucks provide a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Committed to offering consumer support, the company has four distinct production facilities that allow them to constantly adapt to their customers continually evolving wishes by offering a range of innovative ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and processes that limit their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers command while being an environmentally conscious corporation.

Nissan is assured that they will be capable of addressing any customer questions or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community endorsed dealers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
