Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience successfully manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy providing products which energize both their dealers and their partners and provide production gains to their customers.

The TREK team of workers likes new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements along with their understanding of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

The staffs at TREK and their dealer-partners are really committed to having both parts and technical support available when it is needed. Their high service commitment is among the core values in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers dependable machinery that eventually lowers your cost of cleaning. The price, the service and the product all work together to make them the leader in the industry.
