

## American Lincoln Parts

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are known within the industry as providing durable and strong equipment which suits the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber along with the Clarke Company which is now likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are accessible in the market under the brand name "Encore". American Lincoln could supply components, warranty service and machinery for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of several facility managers where efficiency and results make a difference. Recently, this floor scrubber model has been used by the architects in new construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
